ITEM CODE: 1004111

JOVIT LED E27 R

DESCRIPTION

JOVIT is a retro / industrial designed pendant lamp. It is characterized by a simple form of execution and intensive coloring. The lamp is made of steel in two shade colors: intense black and red. It is distinguished by the broad shape of the lampshade, which brings out the maximum amount of light from the bulb filling the room, friendly light. The luminaire is supplied complete with a perfectly matched light source with the APPLE LED 8W / 800lm bulb. The JOVIT lamp and the APPLE LED bulb are the perfect duo to decorate any interior. The original design will make the interior design in the interior of the kitchen, dining room, living room and bedroom.
